DETAILED ACTION

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(a) the invention was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for a patent.

Claims 1 – 16 are rejected under 35 U.S.C. 102(a) as being anticipated by GB 2 355 126 (Lindholm).

With respect to claims 1 – 16, Lindholm teaches the claimed device. Note the Figs., the Abstract, Page 1, lines 21 – 29, page 2, lines 4 – 10 and lines 20 – 27. In addition see Page 2, line 29 – Page 3, line 7. Additionally, note Page 8, lines 4 – 13, Page 9, 1 – 16 and lines 24 – 26 and Page 10, line 26 – Page 11, line 3. Lastly, note the claims in Lindholm.

Response to Arguments

Applicant's arguments filed October 15, 2004 have been fully considered but are not persuasive with respect to the 102 argument.

Applicants are correct in that the prior Office Action should not have contained a 102 (e) rejection for the reasons stated by applicants. However, applicants are incorrect in stating that a 102 rejection using the Lindholm reference is not proper. The examiner should have used 102 (a) and not 102 (e) and apologizes for any confusion this inadvertent and harmless mistake may have caused. However, a 102 rejection whether (a) or (e) is not the important issue. The important issue is that the reference is good

under 102 and applicants should have tried to distinguish their limitations from the reference, but chose not to so.

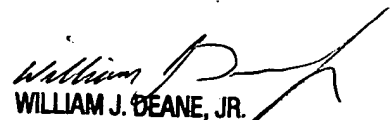

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
